New in outdoor advertising!

BLOWSIGN

YOU CAN ADVERTISE WHERE EVER YOU LIKE!

Revolutionary, inflatable structure can be placed on almost every location **in few minutes!**

Standard dimension of advertisings area: **6,5x5m**, can be also made in other dimensions, by customers request.

Advertisings poster can be placed **only on one or on both sides.**

Poster is printed in "full color" digital print technic in only one piece (without connecting pieces).

This print resists all weather conditions. Warranty for printing is **3 years.**

This system is ideal for **promotion on all kind of places**, advertising on sportgrounds (playgrounds, stadions...) on concerts, for sale actions, fairs ...

All informations and movies with Blow sign placing, you can find on www.belina.com/blowsign.
